

# The 1st Annual WOW CLOTHES SWAP

Why not trade shopping for swapping!

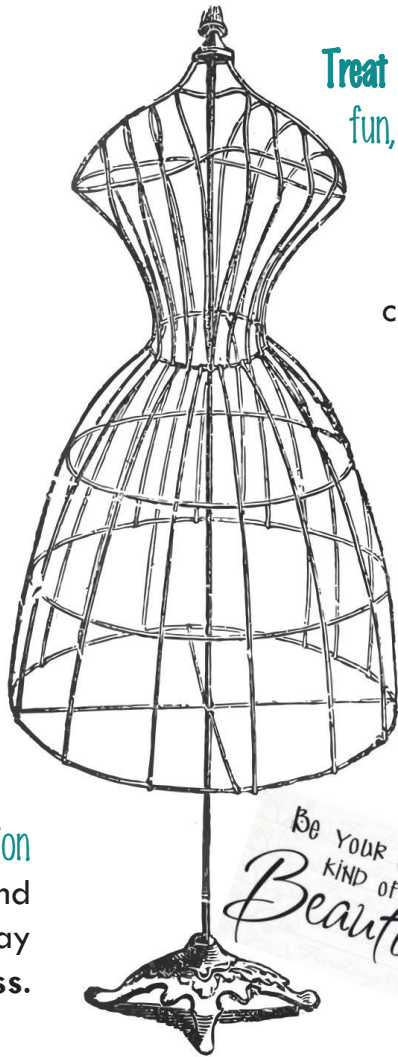

**THIS WILL KNOCK YA FROCK OFF !**

It combines ethical shopping, bargain hunting and social networking – and it's the hottest fashion trend.

Buying or sharing second hand garments eliminates the need for new ones and shrinks your ecological fashion footprint.

Bring your **BEST** old clothes, bags, belts, jewellery, shoes, hats, scarves and accessories. Even your unwanted perfume, make-up, books, candles or nic-nacs can all be swapped!

All items must be in good condition and washed! Any clothes and items left at the end of the day will be donated to the **Red Cross**.

Treat yourself to a get together with the girls of fun, **PLUS** you go home with a **NEW** wardrobe!

Cost: \$5 each -  
**Includes all beverages** - juice, tea, chai & coffee, wine & bubbly (please specify any preferences).

Change rooms and mirrors provided, plus a fabulous equipped venue!

Check out these **Fashion SWAP** sites to see what you are in for!
